

AADITYA KUMAR MISHRA

WEB DEVELOPER

PROFESSIONAL SUMMARY

Dynamic Full Stack Web Developer with experience at Global Next Consulting, excelling in RESTful API development and SQL proficiency. Demonstrated ability to enhance application functionality and ensure cross-browser compatibility. A proactive problem-solver, skilled in JavaScript and Backend committed to delivering high-quality, user-centered solutions.

Skilled in full stack web development, adept at creating robust and scalable applications using languages such as JavaScript, Python, and frameworks like React and Node.js. Demonstrates strong problem-solving abilities and passion for innovative coding solutions. Thrives in dynamic environments that challenge analytical thinking and technical prowess as Full Stack Web Developer.

EXPERIENCE

Full Stack Web Developer Intern

February 2026 - April 2026 | Global Next Consulting India Private Limited (GNCIPL), Mumbai, MAHARASHTRA

- Utilized MySQL to create efficient database queries for data storage and retrieval.
- Integrated third-party APIs into existing systems to extend functionality in existing applications.
- Resolved cross-browser compatibility issues related to HTML, CSS and JavaScript code implementation.
- Developed a web application using HTML, CSS, JavaScript and ReactJS for an e-commerce website.

Android Developer Intern

October 2025 - December 2025 | Eduskills Foundation, Mumbai, MAHARASHTRA

- Provided technical support for existing Android applications by troubleshooting bugs and resolving issues quickly.
- Participated in the full software development life cycle (SDLC) from requirements gathering through system implementation.
- Trained users to use new or modified equipment.
- Wrote well-designed, testable code.
